

## Spectrum Signworks Vehicle Wrap Warranty Policy

This warranty statement applies exclusively to products printed and installed by Spectrum Signworks.

Spectrum Signworks offers a 12-month in-house warranty on all vehicle wrap and vehicle graphics products.

Our comprehensive warranty covers all defects in materials and installation. This includes full replacement of failed materials, removal, and installation.

This warranty does not cover damage to the wrap or graphics from negligence, misuse, accidents, road damage, wear and tear, or any failure not a product of installation or materials.

This warranty does not cover warrantable failures due to pre-existing damage to vehicles. This warranty does not cover a warrantable failure if the client chooses to keep any/all emblems on a vehicle and to have them wrapped over. If there is existing graphics that we are covering over, we cannot guarantee the impression of the old graphics will not show under the new material.

If surfaces are not covered with OEM paint, no warranty is provided.

All claims must be made within the 12-month warranty time frame and are subject to approval by a Spectrum Signworks authorized representative.

In case of a warrantable failure, Spectrum Signworks responsibility is limited solely to, at its option, repairing or replacing the defective wrap or parts of the wrap. Customer's option for repair of warrantable failures is strictly limited to repair at Spectrum Signworks facility.

Materials used in warranty repairs will carry the same warranty coverage as the materials they replace, but the expiration dates will be the same as those of the original materials.

This warranty is the sole warranty made by Spectrum Signworks in regard to our vehicle wrap products. Spectrum Signworks makes no other warranties, expressed or implied.

We are committed to providing quality work that holds value for our clients.
